Delegates:

Thank you to everyone who attended the retreat this weekend. A few follow up items for everyone:

- 1) Pre-Session Survey Mailers: I sent information out on Monday about these and have attached it again. If you're interested in participating in the caucus survey program, the deadline will be December 2nd.
- 2) Incumbent Protection Ideas: We had a great discussion on Saturday about the various ideas members are using for incumbent protection. We are updating our master list for all members, so if you would email me with your 3-4 top activities, we'll combine them and make the full list available for everyone.
- 3) Please contact me if you are planning or need help planning a pre-session fundraiser and I'll make sure the date gets out to our Richmond list.

Finally, at the request of several of you, I've attached electronic versions of several of the handouts, including:

- 2011 Timeline
- 2011 vs 2001 Redistricting Timeline
- Legislative Pre-filing Note
- Caucus Survey Mailing info sheet
- District Deviations for Redistricting (based on 2010 population estimates)

Thank you and let me know if there are questions.

Stephen
